Dues based on estimates posted on the NC Office of Budget and Management

***Methodology for Stokes and Davie County Estimates**

Using 2010 Decennial Census Block Level population data, PTRC calculated the percentage of each county population within the RPO boundary. That percentage was applied to the 2017 NC State Demographer Population Estimate to find the 2018 RPO population for each county. Municipal populations were then subtracted out (Danbury and Walnut Cove for Stokes; Mocksville and Cooleemee for Davie) to calculate the population counts used in calculating dues for the 2020-2021 fiscal year.
