

## Parks and Recreation Trust Fund (PARTF) 2023

### Eligibility

The North Carolina General Assembly funds PARTF each year at different levels. PARTF provides dollar-for-dollar matching grants to local governments. A project must be located on a single park site and applicant must have legal control of the park property where PARTF facilities will be located.

### Target Area

North Carolina counties and incorporated municipalities. Public authorities, as defined by N.C. General Statute 159-7, are also eligible if they are authorize to acquire land or develop recreational facilities for the general public.

### Application Process

All cities and counties in North Carolina are invited to apply for PARTF using this application package. The N.C. Division of Parks and Recreation provides technical assistance to local governments through a contract with Recreation Resources Services at N.C. State University.

### Deadline

Application are due by 5pm May 1, 2023.

### Grant Amount

Award maximum is \$500,000

### Match

An applicant must match the grant dollar-for-dollar, 50 percent of the total cost of the project, and may contribute more than 50 percent.

### Eligibility

LWCF provides up to dollar-for-dollar matching grants to local governments. An applicant must own the park property. Property acquired or developed with LWCF assistance must be used for public outdoor recreation use in perpetuity. A project must be located on a single site.

### Target Area

North Carolina counties and incorporated municipalities

### Focus Area

- Acquisition or renovation of existing parks previously developed with LWCF assistance.
- Grants can be used to acquire land for a public park.
- Develop outdoor recreation and support facilities; or a combination of both.

### Purpose

- Provides for permanent recreation improvements in a 50:50 cost share arrangement
- Can be used for acquisition, development or renovation of facilities.
- Applicants can request a maximum grant of \$500,000 with each application.

## LAND AND WATER CONSERVATION FUND 2023 (LWCF)

FUNDED BY THE U.S. DEPARTMENT OF THE  
INTERIOR.

### Match

An applicant must match the grant with a minimum of 50 percent. Due to a federal share cap of \$500,000, a greater match is required for projects that exceed total costs of \$1 million.

### Application Process

Applications are submitted through electronic folder in Microsoft SharePoint. Applicants should contact Cande Killian Wood at [cande.killianwood@ncparks.gov](mailto:cande.killianwood@ncparks.gov) to request access to the SharePoint folder. Applicants are encouraged to request access early in the process to allow for technical support as needed. Training opportunities on using SharePoint will be provided.
