FROM: Paul M. Kron, PTRC Regional Planning Director

DATE: November 7, 2012

RE: EPA Brownfields Assessment Coalition Grant Application

ITEM #: 4

The PTRC Planning Department is seeking authorization to apply for up to \$1 million in funding from the Federal Environmental Protection Agency (EPA) Brownfields Assessment Coalition Program by November 19, 2012. If our proposal is funded approximately 88% will be used to assess brownfields sites in participating communities. The remaining 12% will be used to cover the Department's planning and project administration costs. No local match is required. Coalition members may voluntarily provide an in-kind match of staff time to participate in various meetings and outreach events.

We will request your approval to contract with the US EPA if the project is funded.
