

Piedmont Together

Choices Opportunities Solutions

Scenario Modeling

Please join the Piedmont Triad Regional Council for a briefing on a new planning tool to help counties and municipalities establish strategic community investment opportunities in areas likely to provide a significant return on investment.

Randolph County

Archdale • Asheboro • Franklinville • Liberty • Ramseur • Randleman • Seagrove • Staley • Trinity

All county and municipal managers and planners are invited to attend

May 14th, 10:00 AM

Historic Courthouse Meeting Room

145 Worth Street, Asheboro, NC 27203

RSVP to Elizabeth Jernigan at ejernigan@ptrc.org or (336) 294-4950 ext: 2255

The following priorities will be addressed:

1. Land Development Model: Review modeling process and revise land use and zoning layers as necessary.
2. Return on Investment Study: Review regional return on investment methodology and results for the region and by county.
3. Investment Opportunity Areas: Review online mapping tool and begin identifying strategic Investment Opportunity Area(s).
