

SAVE MONEY, ENERGY AND OUR ENVIRONMENT

GET ACQUAINTED WITH NATURAL GAS FOR TRANSPORTATION WORKSHOP

Presented by

WHO

Public and private fleet managers, representatives from the vehicle industry, vehicle technicians and all those interested in learning more about natural gas fleet vehicle applications.

WHAT

Participate in discussions and panels with industry leaders and discover the many natural gas-fueling opportunities for fleets. Our fueling demonstrations and vehicle showcase will provide a first hand look at the newest innovations and offer additional insights into the future benefits for your fleet.

WHEN

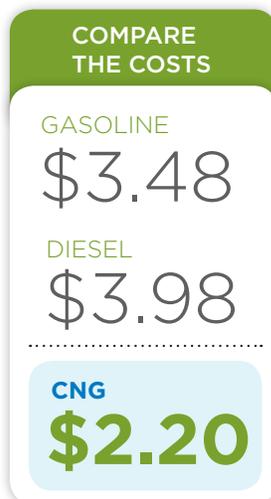

Thursday, Sept. 19, 2013

10:00 a.m. - 2:30 p.m.

*Lunch provided by Piedmont Natural Gas

WHERE

Piedmont Natural Gas
2611 Greengate Drive
Greensboro, NC
