

## ABOUT THE PROGRAM:

- ◆ Farm Ponds in Rockingham County are aging and many have reached their intended life span.
- ◆ The primary objective of this workshop will be to discuss the issues around failing pond dams and present potential solutions.
- ◆ This workshop is a partnership between the Rockingham County Soil and Water Conservation District, the Dan River Basin Association and the Piedmont Triad Regional Council.
- ◆ This program will highlight:
  - ◆ The historical legacy of the ponds
  - ◆ Issues surrounding a failing pond dam
  - ◆ Engineering parameters of ponds
  - ◆ How to plan for the future of your pond
  - ◆ An optional visit to a farm pond dam
