Tabled until next meeting.

Discussion Items

- V. P6.0 Draft Projects List Lynn Cochran/Jesse Day
Mr. Cochran provided an overview of current, amended, added and deleted projects across all modes. Mr. Yokeley asked for clarification of the proposed sidewalk projects in Danbury. Mr. Craver provided clarification. Van Tucker asked that the terminus of improvements to NC 268 and

interchange improvements beginning at CC Camp Rd be changed to Quaker Church Rd. DOT staff agreed and Mr. Cochran amended the project entry. Mr. Knopf asked that improvements to US 601 in Surry County be prioritized to the area between Cody Trail and E. Atkins St. DOT Staff agreed and Mr. Cochran amended the project. Mr. Austin inquired about interchange improvements involving a project in Yadkin County. Div 11 staff responded. Mrs. Finney and Mr. Craver discussed the details of a proposed improvement project for Farmington Rd between US 158 and Pudding Ridge Ln. There was no further discussion.

Informational Items

VI. Division 9 Updates Division Staff

Mr. Rhyne provided information on construction projects occurring throughout Davie and Stokes Counties.

VII. Division 11 Updates Division Staff

Mr. Pettyjohn provided information on construction projects occurring throughout Surry and Yadkin Counties.

VIII. TPD Update Lynn Cochran/Reuben Crummy

Mr. Cochran review the interactive map prepared by TPD showing where survey respondents noted safety and traffic concerns as part of the Regional Comprehensive Transportation Plan. He also reviewed the county-level maps prepared by Mr. Crummy and TPD staff showing base year and projected deficiencies for year 2045.

IX. RPO Updates Lynn Cochran

Mr. Cochran reviewed the status of the Yadkin Valley Regional Bike Plan with the committee, along with proposed member dues for the 2020-2021 fiscal year. There was no discussion.
